

## PARKING AT ST. MICHAEL

We are blessed at St. Michael to own two parking lots next to our building. Part of the blessing is that we rent them during the week which provides us with money to pay bills and do ministry.

Not everyone is familiar with our arrangement, so here is a refresher course on our parking situation.

We own the lot directly behind our building to the west. In that lot there are 11 numbered spaces.

We also own *a portion* of the lot directly across Adams Alley to the North. In that lot our spaces are numbered 1-6. Space 1 is directly across the alley from our weekday entrance; spaces 2-6 continue to the east.

Mondays through Fridays from 7:30 am – 7:30 pm our parking lots are leased to ARCUS, our neighbor across the alley to the west. We reserve only two numbered spaces for ourselves during that time: spaces 4 & 5 behind our building. If your car is small enough to fit between the numbered spaces and the building you can use those spaces as well.

Weekdays from 7:30 pm until 7:30 am, and all day Saturday and Sunday the lots are ours to use.

We try to be good neighbors and graciously allow overflow parking from The Firehouse to use our lots when we do not need them; and in turn we have used the Firehouse's lot on Sunday mornings. Likewise, if ARCUS has no evening business it has usually not been a problem to park in the lots as the 7:30 pm time approaches.
